Sorry I'm late.

Turtles are from Tinicum (John Heintz) Wildlife Preserve.

"Sunshine is delicious, rain is refreshing, wind braces up, snow is exhilarating; there is no such thing as bad weather, only different kinds of good weather." John Ruskin

That guy is obviously a nut.

Happy spring!

You have received this new calendar, with new pictures and dates, as a **free** gift. You can print it, copy it and e-mail it, for personal use only, to your heart's content. Send all subscription requests to doug@TheCreatorsFingerprints.com . (be specific in the title, I am brutal with spam) When you are on our mailing list, you will be updated with events and new photo availability. We promise not to be a pest.

If you like this **free** calendar, feel free to e-mail this to your friends and family, so they can enjoy it also.

Next show: May 8-9 Skippack Village (Montgomery County) Spring Fest Craft Show with family entertainment. Food, Crafts, Moon bounce, much more! Looks like a good time.

A (Relatively) New Feature

We have decided to offer a new feature for our e-mail readers, and especially those who read all the way down to the bottom of the letter. (Tricky, huh!)

Just reply to this e-mail, put "Free Background Image" in the title, and **we will send you a free JPG file of the image on this calendar**. When you receive it, you should download the file to your computer and set the image as your Desktop background image. If you don't know how to do this, we can help with instructions.

And why would we do this?

First of all, we think you are really cool, and appreciate your interest.

Also, we want to keep our name in your memory, so that when you start redecorating a room in your house, fixing up your second home, want to spruce up your office or need a nice gift or gift certificate, you will think of us first.

We will be adding a slogan, or our name or just our website address onto the image, in one of the right-hand corners. Hopefully it will not be too obtrusive. But we think you will really like it. These images will have reduced resolution and the logo, so we don't think they would make a nice print, but there would be nothing to stop you. These images are copyrighted, so no one should be publishing them, but we would consider any requests.

Let us know what you think, and enjoy.

The Creator's Fingerprints

Doug Haas Nature Photography

Nature is so incredibly diverse, interweaving soft textures with rough elements, adding a splash of color amid dull backgrounds, bold designs among camouflage and secrecy. The variety of shapes and patterns seem limitless. And it all coexists and fits together seamlessly. Often inspiring, mysterious beyond rational explanation, we look to nature to understand our place in the universe, to realize we are part of an incredible, intelligent design.

But much of this beauty goes unseen and unappreciated. My wife Chris and I are always looking for those special images which most people just walk past. It is not necessary to visit exotic far off places. Many stunning images are right in our backyard. We especially marvel over the tiny or insignificant; fungi, centipedes, or fallen autumn leaves. Using our macro lens, close up photos of the ordinary shows detail that is dramatic or vibrant. Then looking across the large panoramic overlooks we drink in the immensity of our surroundings. And we are always looking for the unusual, odd and often fantastic images. We love to be artistically moody or abstract, offering prints which are beautiful and interesting.

Prints from Doug Haas Nature Photography will always be eye catching hanging on your wall, in your house or office. We try to capture beauty, things unusual or interesting; hopefully all three. They also make great gifts which show the recipient that you care and you have great taste. Gift certificates are available. The prints are professionally printed on archival paper with non-fading inks, and should last a lifetime. Total satisfaction or your money back.

Images can be viewed and prints ordered on-line at <http://www.TheCreatorsFingerprints.com> . E-mail us at doug@TheCreatorsFingerprints.com , and be specific in the title, I am brutal with spam.
